We know that your company cares—that is why you are considering becoming a business member of Palmer Land Conservancy. We also know businesses in our region are inundated with requests from excellent organizations, and that it is important to be strategic to ensure maximum return on your investment.

### SIX REASONS TO JOIN PALMER LAND CONSERVANCY

#### 1 CONSERVATION IS A WIN-WIN

Economic analysis has shown that every \$1 invested into conservation yields up to \$12 of economic benefits to Coloradans—including you and other local businesses.

#### 2 INCREASE YOUR REACH

Palmer Land Conservancy directly connects with nearly 6,000 individuals between our events, social media channels, print and digital newsletters, and membership. Depending upon your membership level, you will receive varying levels of publicity, promotion, and opportunities to connect with these individuals.

#### 3 OUR GEOGRAPHIC REACH

Palmer's work spans 19 counties and impacts over one million people throughout southern Colorado. We have protected over 136,000 acres of land forever, making us the 18th most impactful land trust in the United States in terms of acres of land conserved.

#### 4 COLORADANS LOVE THE LAND

Nearly 70 percent of Coloradans consider themselves a conservationist. Support what your customers love!

#### 5 ENJOY MEMBERSHIP PERKS

Donations of \$500 or more to Palmer Land Conservancy from businesses automatically enroll them as Palmer Business Members. Perks are dependent on giving level and range from promoting your business to Palmer's audiences, to enjoying event admissions during non-COVID times, to receiving Palmer gear.
